

## SPF 30 ✦☼💧🛡️ Anti-Wrinkle Skin Enhancing UV Protection

### FAQ's:

What percentage of Titanium Dioxide and Zinc Oxide does SPF 30 contain?  
2.5% Titanium Dioxide and 6% Zinc Oxide.

Is SPF 30 waterproof?

No but SPF 30 does a good job staying in place on skin even when sweating unless rubbed away.

Will SPF 30 cause me to have a white, chalky appearance?

No. SPF 30 contains color adjusting spheres that act similar to a bronzer to even out skin tone.

How does SPF 30 blend to anyone's skin tone?

SPF 30 contains color adjusting spheres of multiple colors including browns, pink and purple. As the product is massaged onto face, it blends precisely to anyone's skin tone. It is recommended to massage the product at first within fingers and then continue to blend evenly on face.

Will the color adjusting spheres stain my clothes?

No. If lighter color clothes rub against SPF 30 it may discolor clothes but it will rinse away.

Will SPF 30 cause me to break out?

For many people, SPF 30 helps reduce acne breakout. SPF 30 contains Niacin which helps reduce sebum production, Aloe Vera which helps reduce inflammation and control P. acnes, and Galanga which has been shown to reduce sebaceous glands by 15%. Plus, SPF 30 is oil free.
