TACKLE PIGMENTATION WITH SKINCEUTICALS BLEMISH + AGE CLEANSING GEL, £29

and the surface texture bright," advises Dr Bunting. The pineapple and kiwi fruit enzymes in Bareminerals Purifying Facial Cleanser, £15, nibble away at dead cells to keep skin squeaky clean. Vulnerability to pigmentation damage from UV exposure will inevitably increase during this season, too. Tackle it with a cleanser such as SkinCeuticals Blemish + Age Cleansing Gel, £29, which contains exfoliating salicylic and glycolic acid that lift off old cells damaged by sunlight.
