

Powerful. Potent. Professional.

Introducing **NeoStrata Skin Active**, an advanced comprehensive regimen that targets all the visible signs of aging with state-of-the-art technologies.

93% observed... smoother skin texture, more even skin tone, and diminished lines and wrinkles*

- Clinically proven ingredients that work synergistically in all layers of the skin
- Reduces the appearance of fine lines and wrinkles
- Stimulates cell renewal, evens tone, boosts collagen, and protects against damage

*% of respondents reporting at 6 months. Data on file.

NeoGlucosamine™ firms and builds skin volume

Maltobionic Acid encourages cell turnover, discourages melanin production, and improves skin barrier function

Retinol increases cell turnover, evens skin tone, and works with NeoGlucosamine™ to plump and firm skin

Peptides stimulate new collagen, reduce the appearance of wrinkles and firm the skin

Glycolic Acid encourages cell turnover, stimulates collagen production, builds the dermal matrix, and reduces the look of wrinkles

Super antioxidants Chardonnay grape seed extract, Vitamin A, Vitamin E, pomegranate and berry extracts fight and neutralize free radicals

Swiss Apple Stem Cell Extract slows the process of cellular aging

Before

After 8 weeks of
using NeoStrata
Skin Active Regimen

SNAPSHOT PROOF:

The effects of aging on skin are multiple: Fine lines, wrinkles, discoloration and sagging. No single ingredient can address them all. NeoStrata Skin Active combines powerful, clinically proven ingredients that work synergistically in all layers of the skin to help reverse visible signs of photodamage. These potent formulations stimulate cell renewal, even tone, boost collagen and protect against oxidative damage. Lines and wrinkles are smoothed from the inside out.

Powerful. Potent. Professional.

NeoStrata Skin Active Exfoliating Wash
