TEOXANE COSMECEUTICALS

A UNIQUE OFFER ON THE MARKET

Today, Teoxane Laboratories makes the benefits of its **INTEGRATED R&D DEPARTMENT** and **IN-HOUSE INNOVATIONS** available to everyone, in a **GLOBAL ANTI-AGING COSMECEUTICAL RANGE, MADE IN SWITZERLAND.**

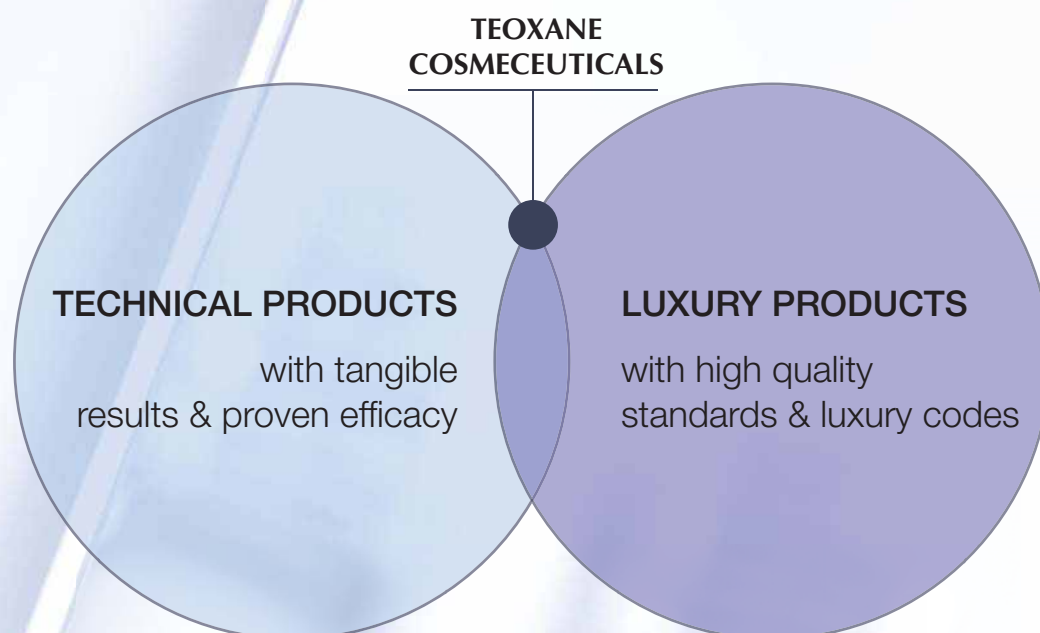

TEOXANE INNOVATIONS

- **RHA™ Resilient Hyaluronic Acid**

The same technology as the one used in TEOXANE dermal fillers

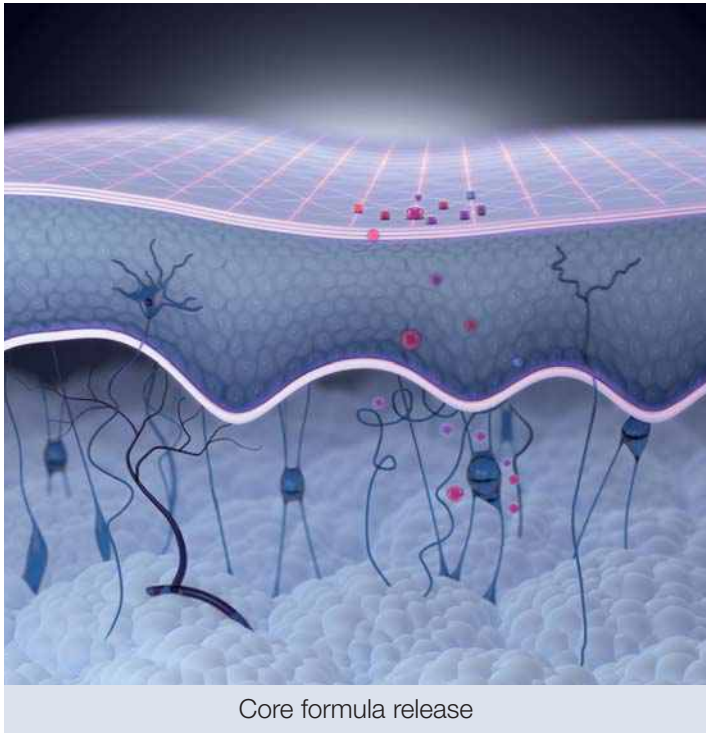

- **Dermo-Restructuring Complex (CDR)**

Complex of active ingredients also present in TEOSYAL® PureSense Redensity I and II dermal fillers (medical devices of class III, CE 0086)

A **DAILY SOLUTION** that meets the **HIGHEST DEMANDS** in terms of **BEAUTY** and **GLOBAL SKIN HEALTH**

CORE FORMULA*

Core formula release

RHA Resilient Hyaluronic Acid

Hydrating layer on the surface of the skin that

- prevents transepidermal water loss
- moisturizes and tightens the skin
- acts as a matrix rich in active ingredients gradually released

Dermo-Restructuring Complex (CDR)

- Powerful antioxidants⁽¹⁾
- Amino-acids, minerals and vitamin B6, essentials for dermis metabolism⁽²⁾

NovHyal® Biotech-G

- Precursor of GAG's (including hyaluronic acid) synthesis⁽³⁾
- Dermal-Epidermal junction strengthener⁽⁴⁾

* Core formula in all the products of TEOXANE Cosmeceutical range, except our targeted cares Deep Repair Balm, Post Procedure and Radiant Night Peel 15% A.H.A (Class I MD).

(1) Glutathione, alpha-lipoic acid and N-acetyl-L-cysteine.

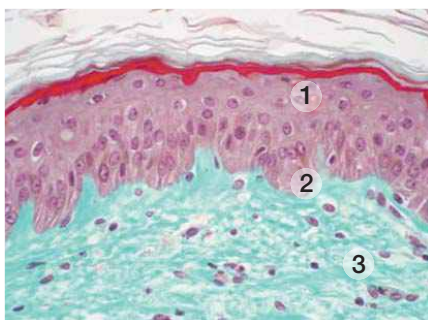

(2) Zinc, copper, N-acetyl-L-cysteine, leucine, isoleucine, valine, lysine, threonine and proline.

(3) In-vitro and (4) Ex-vivo tests, performed by an independent laboratory

AN EFFICIENT RESPONSE TO SKIN AGING

Without HA + CDR + NovHyal® Biotech-G Complex

With HA + CDR + NovHyal® Biotech-G Complex

ANTIOXIDANT ACTION**

27% reduction of a stress marker caused by 24h exposure to UVA.

EPIDERMAL REGENERATION**

Increase of epidermal thickness by an average of 27% after 11 days.

DERMAL-EPIDERMAL JUNCTION RESTRUCTURING**

Increase in the expression of a marker indicating the anchoring of the epidermis to the dermis. Results after 11 days.

DERMAL CELL ACTIVITY STIMULATION**

Increase in the expression of a marker of the synthesis of hyaluronic acid in the papillary dermis and epidermis after 11 days.

1 - Epidermal regeneration

2 - Reinforcement of the dermal-epidermal junction

3 - Stimulation of dermal cells activity

**Ex vivo test, model closest to human skin, performed by an independent laboratory.

RHA™ Resilient Hyaluronic Acid

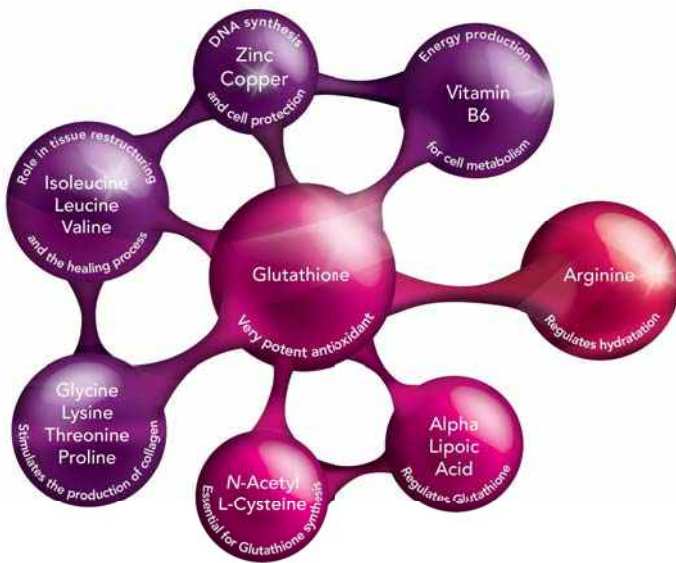

TEOXANE PATENTED TECHNOLOGY - TEOXANE INNOVATION

Unlike traditional Hyaluronic Acid, TEOXANE RHA Resilient Hyaluronic Acid forms a **Hyaluronic Acid mesh on the application zone**, like a second skin.

This mesh gives RHA a specific, additional action: it **smoothes, plumps and firms skin** as well as **acting globally as a matrix rich in active ingredients** that are **gradually released** for a **targeted anti-aging solution**.

CDR - Dermo Restructuring Complex

TEOXANE INNOVATION

8 amino acids, 3 antioxidants, 2 minerals, Vitamin B6

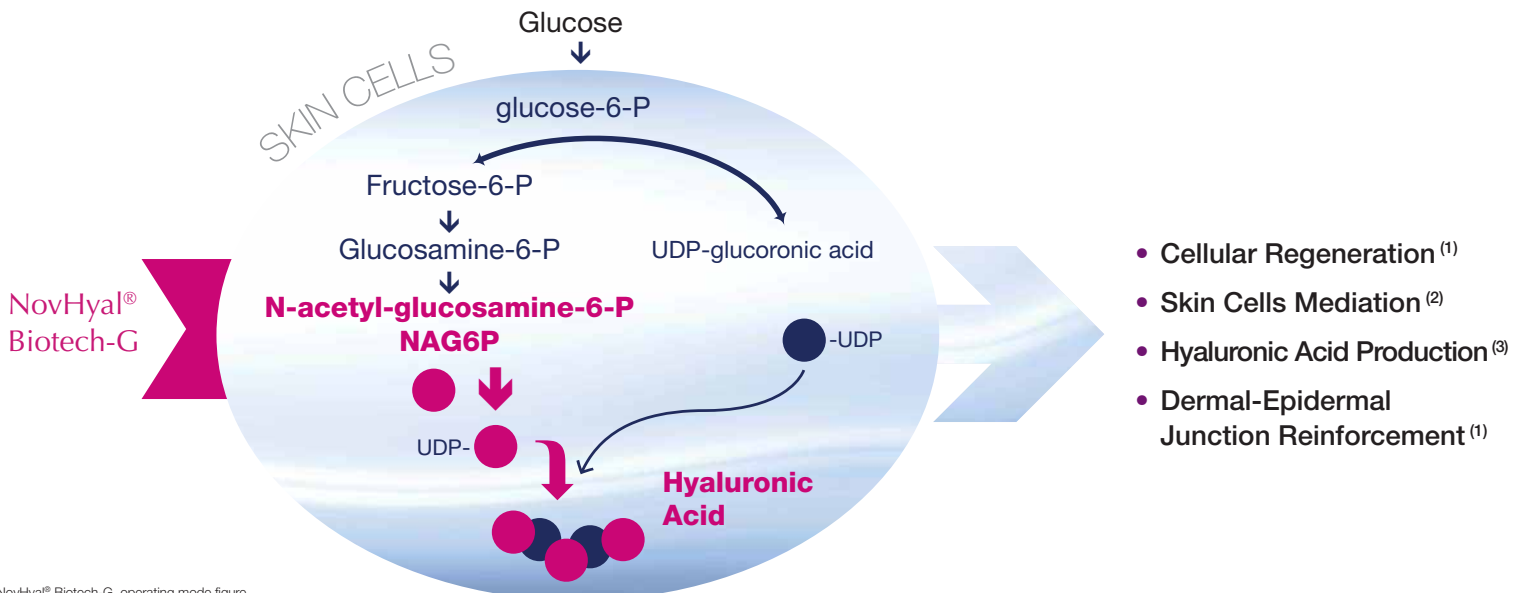

Known for their **synergistic activities** on the dermis*:

- Cellular defense
- Hydration regulation
- Collagen synthesis

SOOTHING FLUID FOR MEDICAL USE

- **Arnica** extract with soothing and anti-inflammatory properties
- **Antarticine™** helps the skin healing process
- **Neutrazen™** helps skin regeneration
- **Chlorexidine Digluconate** recognized for its bacteriostatic properties

USE

Apply POST PROCEDURE generously to the target areas immediately after the aesthetic procedure.

We recommend that patients use DEEP REPAIR BALM for 5 days at home after the aesthetic procedure to help skin recover its integrity.

ADVANCED FILLER - 50ml

INTENSE FILLING TREATMENT

Normal to Combination Skin / Dry Skin

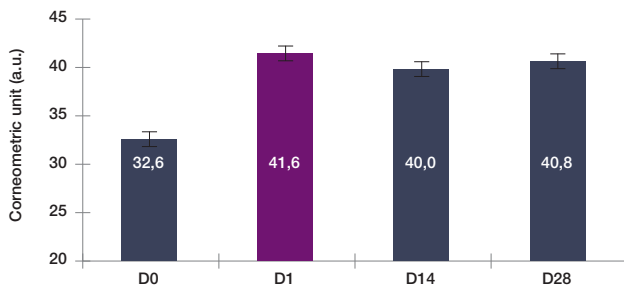

- **RHA + CDR + NOVHYAL® G** CORE FORMULA
- **Matrixyl 3000** matrikines based anti-wrinkles active ingredient

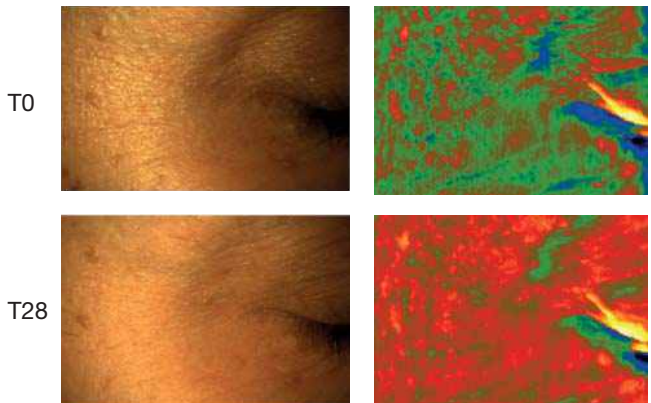

- ⊕ LONG-LASTING HYDRATION**
- ⊕ RESTRUCTURING**
- ⊕ WRINKLE FILLING**

Exceptional instrumental analysis results

- Lasting skin hydration: **+25%***
- Increased elasticity: **+10%***
- Diminished wrinkle depth: **-17%***
- Tolerance: **100%***

Instrumental measurements of skin hydration*

Exceptional skin smoothing effect after 28 days, confirmed using profilometry*

IMMEDIATE RESULTS**

- ⊕ **100%** - Skin is **HYDRATED**
- ⊕ **97%** - Skin is **MATTIFIED**

RESULTS** AFTER 28 DAYS

- ⊕ **97%** - Wrinkles and fine lines are **SMOOTHED**
- ⊕ **93%** - Skin tone is **MORE EVEN**
- ⊕ **97%** - Skin is **REGENERATED**

USE Apply to clean skin in the morning, after RHA™ SERUM.
