

WOW eyes - professional procedures in a single mask.

Visibly Reduces:

Swelling

Baggy Skin

Dark Circles

UNIQUE FORMULA:

Innovative TCD-technology - (Transdermal cosmetic delivery) – the ingredients are activated by body temperature - Rapid penetration of the ingredients into deep layers of the skin

Focus-components to restore the eye contour:

YY molecule - Hydrolyzed proteins, rice bran, soy protein and oxidoreductase - Targets edema, puffiness, skin bags below the eyes

Hyalual® Bio-Code: unique combination of Biopeptides and hyaluronic acid - (Peptiamide + Biodynes TRF Biostimulator + hyaluronic acid). The combination is unique owing to breathing particles of Biodynes TRF active yeast extract having the structure similar to the gene of DNA of the human skin cells. Hyalual® Bio-Code powerfully promotes the vitality of cells, they become active instantly –

Visibly reduces dark circles under the eyes, makes skin look bright and even-toned
